### About agricultural products from Ukraine

July 2023

## Dear Madam/Sir!

We welcome your desire to import agricultural products from Ukraine.

Despite of the war, agribusiness is a pith and marrow of Ukraine's economy. And Ukraine exports biggest part of it's harvest as grain or proceeded production.

We are pleased to offer you our high-quality agricultural products for supply from Ukraine to Turkish companies on FCA terms. With our strong presence in the Ukrainian market and extensive experience in the agricultural industry, we are confident in meeting your requirements and exceeding your expectations.

### Product Range:

1. Grains: We can supply a wide range of grains such as wheat, barley and corn. Our grains are carefully selected, processed, and packed to ensure the highest quality standards.
2. Oilseeds: We offer various oilseeds including sunflower seeds, soybeans, rapeseeds, mustard seeds (yellow and oriental ones). These oilseeds are sourced from trusted farmers and processed using advanced techniques to maintain their nutritional value.
3. Pulses: Our range of pulses includes lentils, chickpeas, and beans. These pulses are known for their excellent taste, high protein content, and low-fat content. They are an essential ingredient for many cuisines worldwide.
4. Processing products: We also supply a wide variety of grain and oilseeds processing products like sunflower oil, rapeseed oil, mustard powder, mustard oil, corn oil, corn grits, corn flour, wheat flour, mustard puree, sugar, chicken fillet, pork, dry milk, casein, honey, fruit fillers. Our produce is grown using sustainable farming practices to ensure both quality and environmental responsibility.

### Quality Assurance:

We understand the importance of delivering products that meet international quality standards. Therefore, our agricultural production undergoes rigorous quality control procedures at every stage of the supply chain. Our dedicated team of experts ensures that only the finest products reach our customers.

If you are interested in learning more about our products or would like to place an order, please do not hesitate to contact us. We look forward to working with you and are ready to meet your requirements.
