

FIRST INTERNATIONAL AGRO-INDUSTRY INVESTMENT FORUM ETHIOPIA

From **5 to 7 October 2016**, His Excellency, Mr. Hailemariam Desalegn, the **Prime Minister of Ethiopia** will host the first International Agro-Industry Investment Forum in Addis Ababa.

The high-level Investment Forum will feature participants from the public and private sector, including representatives of the Government of Ethiopia, current investors, international financial institutions, domestic enterprises, international organizations and industry associations.

Why participate in the International Agro-Industry Investment Forum 2016?

The Investment Forum will provide an opportunity to:

- Create strategic partnerships and expand your network through business-to-business meetings.
- Meet directly with policymakers at the ministerial level.
- Learn about the investment environment in Ethiopia.
- Secure a foothold in one of the fastest growing economies in Africa.

This event is by registration only. To register, please click on the following link:
