Dear Mr. Zurab,

Today, thanks to the healthy investment envirement in Georgia, I have a great potentialities, as a businessman, to offer foreign potential partner a joint business for extension a net of petrol pumps.

Our side is represented by „Amt-98“ Ltd. (Georgia, Tbilisi):

I. We are the owner of:

- territory with full area of 13000 m², which is provided by constant electric power, natural gas, technical and drinking water.
- railway blind alley, where simultaneously it is possible to serve 7-8 carriages.

The main business of „AMT-98“ Group is an import of oil products and their realization, for this we have oil base and a net of petrol pumps. The oil base's capacity is 2200000 litres and this is enough for servicing 15-20 petrol pumps. „AMT-98“ Group has 4 petrol pumps with 100% property and 3 petrol pumps with 50% property. „AMT-98“ Group turnover in 2000 year was 9300000, in 2001 year - 10500000, in 2002 year - 12000000, in 2003 year - 13500000.

„AMT-98“ Group would like to cooperate with a world well-known oil company for extending our net of petrol pumps. In the case of necessity, „AMT-98“ Group can provide the import of oil products and use our experience in effective work of petrol pumps. Our Group is possible to recommend the foreign partner a buying of perspective petrol pumps. Also we can assist in receiving a permission of reconstruction and in reconstruction. We can take part in joint business with our oil base, petrol pumps and partially with financial ensuring. Please recommend us to potential partner.

In addition, we would like to inform you that in 2002 year one of our Group's company „Zevsi“ Ltd. became a winner in a state competition for economic strengthening of the country.
