

RESOLUTION
of the President of the Republic of Uzbekistan
#PP-407 as of July 10, 2006

"On deepening the process of denationalization and privatization of the enterprises in the years 2006-2008"

With the purpose of further deepening the process of denationalization and privatization of enterprises of leading branches of economy directed to the increase of private property role in economy, fundamental reduction of state ownership in authorized funds of entities and also wide attraction of the direct investments into the development and modernization of enterprises including the foreign ones:

1. Approve lists of:
 - o enterprises and objects where the unallocated state assets are to be privatized entirely to the private ownership, according to appendix #1;
 - o enterprises and objects where the unallocated state assets are offered for sale in the years of 2006-2007 at the zero redemption cost with the acceptance of investment obligations by investors, according to appendix #2;
 - o enterprises that have the strategic importance and which authorized fund has the unallocated state assets (including earlier handed over assets to charter funds of entities) are for sale on the decision of State Tender Commission into the private ownership in the period of 2006-2008 with the acceptance of investment obligations by investors, according to appendix #3.

To establish that unsold, within the established deadlines, the objects and state assets in the enterprises which are specified in appendix #1, are offered for sale on the decision of State Tender Commission at the zero redemption cost with the acceptance of investment obligations by investors.

2. Entitle the State Property Committee of the Republic of Uzbekistan in cooperation with the ministries, institutions, entities, Board of Ministries of the Republic of Karakalpakstan, regional khokimiyats and city of Tashkent, within a month, to approve the schedules and to provide with timely and appropriate appraisal, bids and sale of the enterprises, objects and other state assets included into the appendices #1, 2 and 3.
3. Approve the lists of children's sanitariums:
 - o which are being transmitted to the balance of Board of Federation of trade unions of Uzbekistan and large enterprises, according to the appendix #4;
 - o which are offered for liquidation with sale of property on stocks, according to appendix #5.

Establish that the transmission of children's sanitariums from balance to another one is not the object of taxation on income taxes and value added taxes.

4. Determine that at realization of the state share holdings and shares of the enterprises behind which tasks on storage of material assets of the state mobilization and strategic reserves are fixed, duties on performance of these tasks are kept behind the privatized enterprises on a contractual basis.
5. Release the State Property Committee from state customs in courts, including Economic ones and deals with implementation of imposed authorities.
6. Make the amendments and additions into some articles of legislation of the Republic of Uzbekistan, according to appendix #6.
7. Assign the Deputy Prime Minister of the Republic of Uzbekistan

Azimov R.S. to control the implementation of the present resolution.

I.A.Karimov
President
of the Republic of Uzbekistan
Tashkent city

LIST

of enterprises to be privatized entirely to the private ownership
