

APEDA'S PROFILE

Agricultural and Processed Food Products Export Development Authority (APEDA) is an organization under Ministry of Commerce, Govt. of India, to promote the export of agricultural commodities and processed food products. More than 8500 registered member exporters, and 550 Agro based products, are promoted for exports through us. The export drive spearheaded by an intense thrust towards development of modern and Integrated Infrastructure facilities, standardization and quality up gradation has enabled APEDA to achieve an export turnover of around USD 8 billion.

APEDA, plays the role of a catalyst in making Indian products globally competitive. The organization attempts to provide backward and forward linkages ranging from farm practices to marketing to end consumer.

India's huge resource base and a host of natural advantages make it a chosen destination for a variety of agricultural products. Capitalizing on country's strengths, APEDA facilitates not only in improvement of Indian Agri products but also provides a platform to showcase India's quality produce, thus securing its rightful place in the global market.

APEDA Driving Growth.
